UNION DEMOCRATIC PLATFORM. ADOPTED IN STATE CONVENTION JANUARY, 8, 1962 WHEREAS. The Democratic party having, from the date of its organization, been in favor of the paintenance of the Uni n and the preservation o

the Constitution, and seeing in the present condition of the country the deplorable effects of a departure from its time honored and conservative iples, and the triumph of sectionalism; and firmly believing that the Union and the Constitution can be preserved alone by the restoration of that party to power, we invite all true Union men throughout the land to unite with us in sustaining its organization and carrying out its principles:

Resolved, 1. That we reaffirm and endorse the litical principles that from time to time have been put forth by the National Conventions of the Democratic party.

2. That we are unalterably attached to the Constitution, by which the Union of these States was formed and established; and that a faithful observance of its principles can alone continue the existence of the Union, and the permanent happiness of the people.

3. That the present civil war has mainly re-

sulted from the long continued, unwise, and fanatical agitation, in the North, of the question of domestic slavery, the consequent organization of a geographical party, guided by the sectional platforms adopted at Buffalo, Pittsburgh, Phila-delphia, and Chicago, and the development thereby of sectional bate and jealousy, producing (as had long been foreseen and predicted by us) its counterpart in the South of secession, disunion, and armed resistance to the General Government, and terminating in a bloody strife between those who should have been forever bound together by fraternal bonds, thus bringing upon the whole country a calamity which we are now to meet as loyal citizens, striving for the adoption of that mode of settlement best calculated to again restore union and harmony.

4. That in rejecting all propositions likely to result in a satisfactory adjustment of the matters in dispute between the North and the South, and especially those measures which would have secured the border slave States to the Umon, and a hearty co operation on their part in all constitu-tional and legal measures to procure a return of the more Southern States to their allegiance, the Republican party assumed a fearful responsi-bility, and acted in total disregard of the best interests of the whole country.

5. That if the party in power had shown the same desire to settle, by amicable adjustment, our internal dissensions before hostilities had actually commenced, that the Administration has recently exhibited to avoid a war with our ancient enemy, Great Britain, we confidently believe that peace and harmony would now reign

throughout all our borders. 6. That the maintenance of the Union upon the principles of the Federal Constitution should be the controlling object of all who profess loyalty to the Government-and in our judgment this purpose can only be accomplished, by the ascendency of a Union party in the Southern States, which shall, by a counter revolution, displace those who control and direct the present rebellion, That no effort to create or sustain such a party can be successful which is not based upon a definite settlement of the questions at issue between the two sections; and we therefore demand that some such settlement be made by additional constitutional guaranty, either initiated by act of Congress or through the medium of a National

7. That the Republican party has fully demon-strated its inability to conduct the Government through its present difficulties.

8. That we are utterly opposed to the twin

heresies, Northern sectionalism and Southern secession, as inimical to the Constitution; and that freemen, as they value the boon of civil liberty and the peace of the country, should frown indignantly upon them.

9. That in this national emergency the Democ-

racy of Indiana, banishing all feeling of passion and resentment, will recollect only their duty to the whole country; that this war should not be waged in the spirit of conquest or subjugation, nor for the purpose of overthrowing or interfering with the rights or institutions of the States. but to defend and maintain the supremacy of the Constitution, and to preserve the Union with all States unimpaired; and that as soon as these objects are accomplished the war ought to cease.

10. That we will sustain, with all our energies, a war for the maintenance of the Constitution, and of the integrity of the Union under the Constitution; but we are opposed to a war for the emanci pation of the negroes, or the subjugation of the onthern States.

11. That the purposes avowed and advocated by the Northern disunionists, to liberate and arm the negro slaves, is unconstitutional, insulting to loyal citizens, a disgrace to the age, is calculated to retard the suppression of the rebellion and meets our unqualified condemnation.

12. That the total disregard of the writ of ha-beas corpus by the authorities over us, and the seizure and imprisonment of the citizens of loval States where the judiciary is in full operation, without warrant of law and without assigning any cause or giving to the party arrested any opportunity of defense, are flagrant violations of the Constitution and most alarming acts of usurpation of power, which should receive the stern rebuke of every lover of his country and of every man who prizes the security and blessings of life, liberty and

13. That liberty of speech and of the press are guaranteed to the people by the Constitution, and none but a usurper would deprive them of these rights; they are inestimable to the citizen and formidable to tyrants only. And the attempts which have been made since our present unfortunate troubles, to muzzle the press and stifle free discussion, are exercises of despotic power against which treedom revolts and which can not be tolerated without converting freemen into slaves.

14. That the seizure of Slidell and Mason, on board a neutral vessel, on the high seas, was either in accordance with international law, and so legal; or else in violation of such law, and so illegal. If the former, we lament that our nation has been humiliated by their surrender, under a threat; if the latter, it was the duty of the Administration at once to have disavowed the act of their officer, and instead of incarcerating the captives in Fort Warren, to have immediately re paired the wrong by placing them, as far as practicable, in the same condition in which that officer had found them. In either event, the action of the Administration was vacillating land cowardly, and degrading to the dignity of a great na-

15. That the action of the Republican party. as manifested in the partisan character of all appointments of the Administration to civil officeand, in holding party cancuses by the Republican members of Congress for the purpose of impressing upon the legislative action of that body the peculiar dog mas of that party, have demonstrated that their professions of "sacrificing party platforms, and party organizations, upon the altar of their country." are but so many hypocritical and false pretences by which they hop, to dupe the unwary into their support; and we warn all loyal persons, as they love their country, not to be deceived thereby.

16. That the disclosures made by the investigating committee in Congress of the enormous frauds that have stalked into the army and navy departments, implicating the heads of those departments in a connivance at, if not an actual participation in a system of corruption, and it which our brave soldiers have been delrauded of their proper supplies, and our Government threat ened with bankruptcy, demands a thorough in restigation into all our expenditures, both State and National, and that a speedy and marked example be made of all such "birds of prev," who, taking advantage of the necessities of our conn

try, have fed and fattened upon public plunder. Resolved. That the meritorious conduct of the Indiana troops, in every battle field where victory has perched upon the national banner, has filled the people of this State with the highest gratitude to her gallant sons, and that we send our best wishes to officers and men, dispersed throughout the country, and the heartfelt greetings of every Democrat for their further brilliant achieve ments in the coming contests for the maintenance of the Constitution and the Union.

Wood, Dear Sir—In the latter part of the year 1852, while attending to the State and National Law School of the State of New York, my hair, from a cause unknown to me, commenced falling off very rapidly, so that in the short space of six months, the whole upper part of my scalp was entirely bereft of its covering, and much of the remaining portion upon the side and back part of my head shortly after became gray, so that you will not be surprised when I tell you that upon my return to the State of Indiana, my more casual acquaintances were not so much at a loss to discover the cause of the

were not so much at a loss to discover the cause of the change in my appearance, as my more intimate acquaint-sinces to recognize me at all.

I at once made application to the most skillful physicians in the country, but receiving no assurances from them that my haircould again be restored, I was forced to become reconciled to my fate, until fortunately in the latter part of the year 1857, your restorative was recommended to me by a druggist, as being the most reliable Hair Restorative in use. I tried one bottle, and found to my great satisfaction that it was producing the desired. my great satisfaction that it was producing the desired effect. Since that time I have used seven dollars' worth of your Restorative, and as a result, have a rich coat of very soft black hair, which no money can buy.

As a mark of my gratitude for your labor and skill in the production of so wonderful an article, I have recom-mended its use to many of my friends and acquaintances,

who, I am happy to inform you, are using it with like effect. Very respectfully.

Prof. O. J. Wood: Dear Sir—Your Hair Restorative is rapidly gaining popularity in this community. I have had occasion to lay prejudice aside, and give your Hair Restorative a perfect test.

During the year 1854, I was so unfortunate as to be thrown from my sulky against a rock near the road side, from which my head received a most terrible blow, causing a great deal of irritation, which communicated to the brain and external surface of the head, from the effect of which my heir was finally destroyed over the certific and the continuous control of the lead.

From the time I first discovered its dropping, however, up to the time of its total disappearance, I employed everything I could think of, being a professional man myself; and, as I thought understanding the nature of the disease, but was finally defeated in every prescription advanced.

These and no other circumstances induced me to resort to your worthy Hair Restorative, which I have every reason to belive produced a very happy result; two months after the first application, I had as beautiful a head of young hair as I ever saw, for which I certainly owe you my most sincere thanks. Rest assured, dear sir, I shall recommend your remedy to all inquirers; moreover, I recommend your remedy to all inquirers; moreover, I shall use my influence, which I flatter myself to say, is not

Dear Sir.—I feel it my duty as well as my pleasure, to state to you the following circumstances, which you can use as you think proper. A gentleman of this place, (a lawyer,) has been bald ever since his early youth, so much so that he was compelled to wear a wig. He was induced to use a bottle of your "Hair Restorative," which he liked very much; and after using some two or three bottles his hair grew out quite inxuriantly, and he now has a handsome head of hair. The gentleman's name is Bradford, and he is very well known in our allname is Bradford, and he is very well known in our ad-

Yours, &c.. THOMPSON SURGHNOR. CHERTER, S. C., 30th July, 1859. PROF. O. J. Wood-Dear Sir; I take pleasure in recommending your Hair Restorative as a most excellent cure for scald head. My son was suffering very much from this disease, and after using one bottle, was made perfectly well. I recommended it to others who had diseases of the head, and in all cases it had the desired effect. You can recommend it without fear as a most certain cure for scald head. Many others will certify that this and many other cases was cured from the use of your most valuable Hair Restorative.

Respectfully yours,
